WELCOME MESSAGE

Message for
CAFEO 44 INDONESIA

Ir. Santhi H. Serad, M.Sc., IPU., ASEAN Eng.
Chairperson of Committee Conference ASEAN Federation of Engineering Organisations (CAFEO 44)

Wilujeng Sumping to Bandung. That's how the people of Bandung say "Welcome to Bandung".

For more than a century, Bandung has been a city where ideas are engineered into reality. From pioneering engineering education and scientific research to advancing Indonesia's aerospace, defense, and strategic industries, Bandung has long demonstrated how innovation can shape a nation's future.

It is therefore fitting that we gather here for the 44th Conference of the ASEAN Federation of Engineering Organisations (CAFEO 44).

On behalf of the Institution of Engineers Indonesia (PII) and as a Chairperson of CAFEO 44, I am honored to welcome engineering leaders, innovators, academics, industry partners, and policymakers from across ASEAN and beyond.

This year's theme, "Future of ASEAN: Shared Prosperity and Humanity through Inclusive and Sustainable Industrialisation," reminds us that engineering is ultimately about people. Beyond technology and infrastructure, our responsibility is to build industries that are innovative, resilient, inclusive, and sustainable.

Today, ASEAN stands at a defining moment. Rapid technological change, climate challenges, energy security, urban transformation, and digitalization demand greater collaboration across borders and disciplines. Our strength lies not only in our diversity, but in our shared commitment to creating solutions that benefit the region as a whole.

Through CAFEO 44, may we strengthen partnerships, exchange knowledge, inspire future generations of engineers, and advance a future where innovation drives prosperity while remaining grounded in humanity.

Thank you for joining us in Bandung.

Wilujeng Sumping. Welcome to Bandung, and welcome to CAFEO 44.

CAFEO HISTORY

COMMITTEE LIST

THE 44TH CONFERENCE OF ASEAN FEDERATION OF ENGINEERING ORGANISATIONS

Chairperson	: Ir. Santhi H. Serad, M.Sc., IPU., ASEAN Eng.
Asistant Chairperson	: Ir. Ricky Hikmawan Wargakusumah, MH., IPU
Vice Chairman	: Ir. Dandung Sri Harninto, MT., IPU., ASEAN Eng.
Secretary I	: Ir. Panji Sukma Nugraha, MM.
Secretary II	: Ir. Riana Yenny Beatrix Sihombing, ST., MM., IPM.
Treasurer	: Ir. Sri Hartono Indrijanto, ST.
Sponsorship Comm.	: Ir. Dwi Satriyo Annurogo, MT., IPU.
	: Dr. Ir. Muhammad Fauzan, ST., MM., IPU.
	: Ir. Fandi Wijaya, ST., IPU.
	: Ir. Moeharmein Zein Chaniago, M.Eng.
	: Ir. Prayitno, ST., MBA., IPM., ASEAN Eng., APEC Eng., ACPE., CRP.
	: Ir. Haudhi Ramdhayuza, ST., IPM.
Delegate Registration Comm.	: Ir. Christopher Handino Koesno, ST., IPP.
	: Pandu Satya Pambudi, ST., M.Sc.
	: Ir. Wuri Anny Yumantini, ST., MT., IPM.
	: Aufa Satria Nugroho Wibowo, S.T.
Welcome & Farewell Dinner Comm.	: Ir. M.Chory Firdaus, S.T., IPP.
	: Ir. Muhammad Rizqi Wicaksono, ST., IPM.
	: Rizkiawan Muhamad Firmasyah, ST., MM.
	: Akmal Aydin Hafizh, ST.
Accomodation & Transportation Comm.	: Otto Ardianto, ST., MBA.
	: Ir. Syahrial Djohor, ST., IPM., ASEAN Eng.
	: Ir. RP. Bugie Pudjotomo, ST., MM., IPM., ASEAN Eng.
Venue & Equipment Comm.	: Ir. Ony Arifianto, M.Sc., Ph.D.
	: Ir. Rahmat Mualim, ST.
	: Ir. Aulia Rahman, ST., IPM., ASEAN Eng.
	: Ir. Gunta Akhiri, ST., MT., IPU.
Programme & Protocol Comm.	: Ir. M. Sigit Widodo, ST., M.Sc., IPU., ASEAN Eng.
	: Ir. Ar. Dita Trisnawan, S.T., M.Arch.STD., IPU, IAI.
	: Ir. Tri Joko Samiyono, ST., IPM., ASEAN Eng.
	: Ir. Angelia Rizky, ST., MBA., IPP.

Working Group, AEI, & Technical Visit Comm	: Ir. Muhammad Ade Irfan, MBA., IPU., QRPM., CIPM., ASEAN Eng.
	: Dr. Ir. Aksan Kawanda, S.T., M.T., IPU., ASEAN Eng., APEC Eng
	: Prof. Ir. I Wayan Sengara, M.S.EM., Ph.D.
	: Ir. Danang Rizki Ginanjar, ST., MBA., GRCE., CRGP.
	: Dr. Ir. Ar. R.A Retno Hartijanti, MT., IPU., IAI., APEC Eng.
	: Ir. Arief Silaban, MT., IPP.
	: Ir. Sandya Gilang Samudra ST., MT.
	: Ir. Afif Fajar Nurtyanto ST., MT.
Welcome & Farewell Dinner Comm.	: Ir. M.Chory Firdaus, S.T., IPP.
	: Ir. Muhammad Rizqi Wicaksono, ST., IPM.
	: Rizkiawan Muhamad Firmasyah, ST., MM.
	: Akmal Aydin Hafizh, ST.
Accomodation & Transportation Comm.	: Otto Ardianto, ST., MBA.
	: Ir. Syahrial Djohor, ST., IPM., ASEAN Eng.
	: Ir. RP. Bugie Pudjotomo, ST., MM., IPM., ASEAN Eng.
Venue & Equipment Comm.	: Ir. Ony Arifianto, M.Sc., Ph.D.
	: Ir. Rahmat Mualim, ST.
	: Ir. Aulia Rahman, ST., IPM., ASEAN Eng.
	: Ir. Gunta Akhiri, ST., MT., IPU.
Programme & Protocol Comm.	: Ir. M. Sigit Widodo, ST., M.Sc., IPU., ASEAN Eng.
	: Ir. Ar. Dita Trisnawan, S.T., M.Arch.STD., IPU, IAI.
	: Ir. Tri Joko Samiyono, ST., IPM., ASEAN Eng.
	: Ir. Angelia Rizky, ST., MBA., IPP.
Publication & Communication Comm.	: Usamah Abdul Aziz, ST
	: Angie Ayu Natasya, ST.
	: Ardhan Anshari, ST.
	: Abdurrahman Ma'mun, ST., MIP

THE 44TH CONFERENCE OF ASEAN FEDERATION OF ENGINEERING ORGANISATIONS

ASEAN Eng. & Award Comm.	: Ir. Prastiwo Anggoro, ST., MBA., IPM., ASEAN Eng., ACPE., PMP.
	: Ir. Arief Koeswanto, S.T., M.Sc.Eng., IPU., ASEAN Eng., APEC Eng., ACPE.
	: Ir. Dibyanto Habimono Koesoebjono, IPU., ASEAN Eng., APEC Eng.
	: Ir. Wiza Hidayat, ST., IPU., ASEAN Eng.
	: Ir. Rio Andi Sapada, ST., IPM.
Women Engineers Summit	: Assoc. Prof. Dr Ir. Setyawati Yani, MT.,Ph.D.,IPM.,ASEAN Eng.
	: Ir. Sri Hidayati AKP, ST, M.Sc.(PM)., IPU., APEC Eng., ASEAN Eng.
	: Assoc Prof. Ir. Sirmayanti, ST., M.Eng., Ph.D., IPU., ASEAN Eng., CIoTP
	: Dr. Ir. Nurul Chairany, S.T., M.T., IPM., ASEAN Eng.
Young Engineers Summit	: Ir. Isditya Pratama Putra, ST., IPM.
	: Ir. Rifqi Taufiqurrahman, ST., MT., CEM.
	: Ir. Dandy Imam Fauzi, S.Tr. T., IPM.
Engineering Conference Comm.	: Dr. Ir. Soni Solistia Wirawan, M.Eng., IPU.
	: Dr. Alfa Adib Ash-Shiddiqi, ST., M.Sc., IPM.
	: Widyaka Kartanegara, ST., MM., IPU
	: Dr. Ir. Andhika Prastawa, MSEE., IPU.
	: Prof. Dr. Ir. Muhammad Mukhlisin, M.T.
	: Ir. Cucu Wahyudin, STP.MT., IPM., ASEAN Eng.
	: Ir. Riki Khomaruddin, MT.
Exhibition	: Ir. H. Hambali, S.T., M.T., MHK., IPM.
	: Dr. Ir. H. Santo Dewatmoko, S.T., M.M., MA., IPU.
	: Ir. Tulus Martua Sihombing ST., MT., IPU., CPFF.
	: Ir. Tony Handoko, ST., MT., IPM
	: Isma Andini Prihati, ST., MT.
	: Mochamad Geusan Fachreza, ST., MM.
Golf Tournament Comm.	: Ir. Budi Irian, ST., MM., CAPM., QCRO., IPM., ACPE.
	: Ir. Arinova G. Utama, ST., MT., APEC Eng.
	: Ir. Haris Harun
Culture and Social Visit Comm	: Dr. Ir. Sripeni Inten Cahyani, MM., IPM., ASEAN Eng., ERMCP., CREL.

	: Susilawati, S.Pd., M.Pd.

HEAD OF DELEGATION MESSAGES

CAFEO 44

PERSATUAN INSINYUR INDONESIA
PII

Message From the
CHAIRMAN AFEO / PRESIDENT OF PII

Dr.-Ing. Ir. Ilham Akbar Habibie, MBA., IPU., ASEAN Eng.
President of The Institution of Engineers Indonesia (PII)
Chairman of ASEAN Federation of Engineering Organisations (AFEO)

Warm greetings and a very warm welcome to all leaders, delegates, and engineering professionals from across ASEAN.

On behalf of the **Persatuan Insinyur Indonesia (PII)**, and in my capacity as Chairman of the **ASEAN Federation of Engineering Organisations (AFEO)** for 2026, it is my great honor and pleasure to welcome you to **CAFEO-44,** which will be held in Bandung, Indonesia, from **20 to 22 October 2026.**

The theme of this year's CAFEO, **"Future of ASEAN: Shared Prosperity and Humanity Through Inclusive and Sustainable Industrialization,"** reflects our shared aspiration to build a more prosperous future for ASEAN, while keeping humanity at the centre of development. Economic and technological progress must go hand in hand with inclusiveness, sustainability, and our responsibility towards society and the environment.

As the host country, we chose Bandung for a reason. **Bandung is the capital city of West Java Province,** one of Indonesia's most important centres of industry, technology, education, and innovation. West Java is home to one of the largest concentrations of industry in Indonesia, while Bandung itself has become home to a wide range of technology-based and strategic industries, leading universities, and an increasingly dynamic innovation ecosystem.

In Bandung, we can see how technology is being applied across different sectors. Aerospace, defence, telecommunications, transportation, and other technology-based industries develop alongside universities and a city government that continues to embrace innovation. Bandung is also connected to Jakarta by **Whoosh**, Indonesia's high-speed railway, which represents one of the region's most visible examples of advanced technology and connectivity.

We hope that CAFEO-44 will be more than a forum for exchanging engineering knowledge and professional experience. We hope it will also become a platform for strengthening collaboration among ASEAN engineering organisations and professionals.

Through our expertise, innovation, and shared commitment, engineers have an important role to play in ensuring that industrialisation and technological progress create real and lasting benefits for our communities.

Let us use CAFEO-44 to strengthen ASEAN engineering cooperation and to shape a future that is **innovative, inclusive, resilient, sustainable, and prosperous,** while keeping humanity at the heart of engineering and development.

We look forward to welcoming you all to Bandung.
Welcome to Indonesia. Welcome to Bandung.
See you at CAFEO-44.

Message From the
PRESIDENT OF INSTITUTE OF ENGINEERS, PUJA BRUNEI

Ir. Haji Amer Hishamuddin bin Pehin Orang Kaya Amar Pahlawan Dato Seri Setia Haji Zakaria
President of Institute of Engineers, PUJA Brunei (IEPB)

On behalf of PUJA Brunei, we extend our heartfelt greetings to our hosts, Persatuan Insinyur Indonesia (PII) and fellow member organisations across the ASEAN Federation of Engineering Organisations (AFEO) at CAFEO 44 held this year in Bandung, Indonesia. Warmest greetings also to all delegates, distinguished guests, and engineering professionals attending this premier engineering conference.

The future of ASEAN relies heavily on how we design, innovate, and build today. Under the banner of *"Future of ASEAN: Shared Prosperity and Humanity Through Inclusive and Sustainable Industrialisation,"* CAFEO 44 provides an essential forum to align our regional engineering strategies with sustainable development goals. It also serves as a timely reminder of our collective responsibility that industrialisation must not only drive economic productivity but also uphold human dignity, environmental integrity, and long-term sustainability.

Engineering excellence is at the heart of solving our region's most pressing challenges, from climate change and energy transition to digital transformation in the built environment. The engineering profession faces multitude of challenges now, not least the rapid development of Artificial Intelligence (AI) impacting the way we work. AFEO needs to work together to harness these emerging technologies ethically, establish unified regional standards, and ensure ASEAN engineers lead the way in sustainable innovations.

PUJA Brunei actively supports AFEO's vision of regional integration and capacity building, particularly through empowering our young engineers (YEAFEO) and women in engineering (WEAFEO). By fostering cross-border cooperation, knowledge sharing, and mutual recognition, we can collectively ensure that ASEAN's industrial advancement benefits every layer of society.

We express our deep appreciation to Persatuan Insinyur Indonesia (PII) for their warm hospitality and dedication in organizing this important gathering in Bandung. May CAFEO 44 serve as an inspiring platform for impactful partnerships and technical exchange.

Message From the

SECRETARY GENERAL OF BEC

H.E.SOKHOM RITHIVUTH
Secretary General
Board of Engineers, Cambodia

It is my great honor, on behalf of the Board of Engineers Cambodia (BEC), to extend our warmest congratulations to Persatuan Insinyur Indonesia (PII) on hosting the 44th Conference of the ASEAN Federation of Engineering Organizations (CAFEO-44) in Bandung, Indonesia; and sincere greetings to the distinguished leaders, delegates, and engineering professionals participating in the event.

The theme, "Future of ASEAN: Shared Prosperity and Humanity Through Inclusive and Sustainable Industrialization," reflects a forward-looking vision and our collective responsibility to ensure that ASEAN's economic and technological advancement benefits all segments of society.

Engineers are essential partners in translating this vision into meaningful action. Through innovation, digital transformation, green technologies, resilient infrastructure, and responsible industrial development, we can contribute to sustainable economic growth while safeguarding our environment and enhancing the quality of life of our communities.

BEC remains firmly committed to strengthening ASEAN engineering cooperation through professional excellence, knowledge exchange, capacity building, and the advancement of engineering mobility and standards.

Let us unite our expertise, experience, and shared commitment to shape an ASEAN that is innovative, inclusive, resilient, sustainable, and prosperous, placing humanity at the centre of engineering and development.

Message From the
PRESIDENT OF ALACE

Eng. Phatthana Simmalavong
Association of Lao Architects and Civil Engineers (ALACE) President

On behalf of the Association of Lao Architects and Civil Engineers (ALACE), I am honored to convey my sincere greetings and warm congratulations to Persatuan Insinyur Indonesia (PII) on hosting **the 44th Conference of the ASEAN Federation of Engineering Organizations (CAFEO 44).**

The conference theme, *"Future of ASEAN: Shared Prosperity and Humanity through Inclusive and Sustainable Industrialization,"* reflects the aspirations and priorities of ASEAN at a time when the region is pursuing sustainable development, technological advancement, and stronger regional integration. It emphasizes the need for industrial growth that is inclusive, environmentally responsible, and capable of delivering equitable opportunities and lasting prosperity to all communities.

ALACE highly appreciates PII's dedication and leadership in organizing this important regional gathering. By bringing together engineering professionals from across ASEAN, CAFEO 44 provides an excellent opportunity to exchange expertise, share practical experiences, and strengthen professional cooperation. Architects and engineers have an essential responsibility to shape sustainable infrastructure, support innovative industrial development, and create built environments that respond to human needs while addressing the challenges of a rapidly changing world.

This conference serves as an important forum for fostering partnerships and developing practical solutions to the interconnected challenges of modernization, environmental sustainability, and inclusive growth. ALACE reaffirms its commitment to collaborating with fellow ASEAN professional organizations to advance professional excellence, encourage innovation, and support development that creates lasting value for both current and future generations.

I am confident that CAFEO 44 will stimulate constructive discussions, strengthen relationships among ASEAN's engineering and architectural communities, and encourage meaningful initiatives toward our common goals of regional prosperity, sustainability, and human well-being.

Once again, I would like to express my heartfelt congratulations to PII and the entire organizing committee for their efforts in bringing CAFEO 44 to fruition. I wish all participants a successful conference, insightful exchanges, productive deliberations, and enduring professional partnerships. May this gathering further strengthen the spirit of solidarity and cooperation among engineering and architectural professionals throughout ASEAN.

Together, let us shape a better future for ASEAN through sustainable industrial development, engineering and architectural excellence, and a shared commitment to humanity.

CAFEO 44

PERSATUAN INSINYUR INDONESIA
PII

Message From the
PRESIDENT OF IEM

Ir. Yau Chau Fong
President, The Institution of Engineers, Malaysia (IEM)

It is my great pleasure, on behalf of The Institution of Engineers, Malaysia (IEM), to extend my warmest greetings and congratulations to the **Persatuan Insinyur Indonesia (PII)** for hosting the **44th Conference of the ASEAN Federation of Engineering Organisations (CAFEO 44)**.

The theme, **"Future of ASEAN: Shared Prosperity and Humanity through Inclusive and Sustainable Industrialisation,"** is both timely and significant as ASEAN continues to navigate rapid economic, technological and societal transformation. It reminds us that industrial progress must not only drive economic growth, but also improve the quality of life of our people and create opportunities that are inclusive and sustainable.

This vision also resonates strongly with IEM's IMPACT 2030, which aims to strengthen IEM's role as a trusted partner in advancing the engineering profession and contributing meaningfully to national and regional development. Through stronger collaboration, strategic engagement and meaningful partnerships, IEM remains committed to empowering engineers to contribute innovative and sustainable solutions to the challenges facing our communities and the wider ASEAN region.

As engineers, we have a shared responsibility to bridge innovation with societal needs and to ensure that technological advancement translates into tangible benefits for people and communities. Platforms such as CAFEO provide an important avenue for us to exchange knowledge, strengthen professional networks and foster closer cooperation among engineering organisations across ASEAN.

I am confident that CAFEO 44 will inspire meaningful dialogue, strengthen regional collaboration and pave the way for new opportunities for the engineering fraternity to contribute towards a more inclusive, resilient and sustainable ASEAN.

Once again, I extend my sincere congratulations to PII and the organising committee on the successful hosting of CAFEO 44. I wish all delegates a fruitful and enriching conference, and look forward to strengthening the bonds of friendship and cooperation among our engineering organisations.

Together, let us shape the future of ASEAN through engineering excellence, innovation and humanity.

Message From the
PRESIDENT OF FED. MES

Engr. Khin Maung Htay
President
Federation of Myanmar Engineering Societies

To All Our Friends, Fellow AFEO Engineers, and Esteemed Guests of AFEO, *Mingalarpar,*

On behalf of the Patrons, Office Bearers, Executive Committee Members, and the entire membership of the Federation of Myanmar Engineering Societies (Fed. MES), we extend our warmest congratulations to the Persatuan Insinyur Indonesia (PII) on the occasion of the 44th Conference of the ASEAN Federation of Engineering Organizations (CAFEO 44) at Bandung, Indonesia.

Fed. MES members always look forward to participating in CAFEO, a cherished gathering where ASEAN engineering professionals reunite, share experiences, and collaborate on solutions for the common good.

We are truly delighted to join CAFEO 44—an invaluable opportunity for engineers to exchange ideas, address challenges, and foster innovation through technical dialogue and cross-disciplinary collaboration.

The theme of CAFEO 44, ***"Future of ASEAN: Shared Prosperity and Humanity Through Inclusive and Sustainable Industrialization,"*** is a powerful reminder of who we are, what we represent, and the leadership role we must embrace in guiding our nations forward.

CAFEO 44 is a call to action for ASEAN engineers. Through its programs, conferences, and joint initiatives, AFEO promotes the advancement of engineering professionalism, innovation, and best practices to address regional challenges and support sustainable development. AFEO also plays an important role in fostering stronger partnerships among engineers, industry leaders, academic institutions, and governments, contributing to the growth and resilience of the ASEAN community.

Let us not only seek solutions but also inspiration and direction. As beacons, we must shine with knowledge, compassion, and vision. As ASEAN engineers, we are not merely building infrastructure—we are building a better future for all.

We wish all our fellow engineers from across the ASEAN community good health, safe travels, and a productive conference filled with meaningful decisions and actionable plans for the future.

CAFEO 44

PERSATUAN INSINYUR INDONESIA
PII

Message From the
PRESIDENT OF PTC

FEDERICO A. MONSADA. MEng, ACPMetE, IntPE,
ASEAN Engr, Hon.FAFEO
President of Philippine Technological Council

To all our Fellow Engineers of ASEAN and Guests of AFEO,

It is with great pleasure and warm ASEAN fellowship that I extend my greetings to the ASEAN Federation of Engineering Organizations (AFEO), all its member organizations, distinguished delegates, partners, and guests on the occasion of the 44th Conference of the ASEAN Federation of Engineering Organizations (CAFEO 44), to be held in Bandung, Indonesia, from 20–22 October 2026.

With the theme, "Future of ASEAN: Shared Prosperity and Humanity Through Inclusive and Sustainable Industrialization," CAFEO 44 calls upon us to envision a future where economic and technological progress advances hand in hand with human dignity, social inclusion, and environmental sustainability.

For the Philippine Technological Council (PTC) and its member organizations, CAFEO has always been more than an annual professional gathering. It is a cherished ASEAN tradition where friendships are renewed, new ones are nurtured, and bonds among our engineering communities and cooperating economies are strengthened.

Over the years, CAFEO has provided a vital platform for sharing knowledge, experiences, beliefs, and practices; initiating collaborative endeavors; and finding common solutions to the challenges and aspirations of our peoples. It reminds us that despite our diverse histories and circumstances, we share a common commitment to a more prosperous, resilient, inclusive, and sustainable ASEAN.

As engineers, we have a responsibility to turn this shared vision into reality. Through science, technology, innovation, and responsible engineering, we can help create industries and communities that expand opportunity, improve lives, protect our environment, and leave no one behind.

May CAFEO 44 further strengthen our regional cooperation and inspire new partnerships, ideas, and initiatives for the benefit of our peoples.

On behalf of the Philippine Technological Council and the Filipino engineering community, I extend our warmest congratulations to the Persatuan Insinyur Indonesia (PII) for most ably hosting CAFEO 44. May this gathering be fruitful, meaningful, and memorable for all.

On behalf of the Philippine Technological Council and the Filipino engineering community, I extend our warmest congratulations to Persatuan Insinyur Indonesia (PII) for most ably hosting CAFEO 44. May this gathering be fruitful, meaningful, and memorable for all.

May ASEAN continue to engineer a future of shared prosperity, sustainable progress, and humanity—together.

Message From the
PRESIDENT OF IES

Mervyn Sirisena
President The Institution of Engineers, Singapore (IES)

Warm greetings to all distinguished delegates, esteemed colleagues, and fellow engineers at CAFEO 44.

It is a true privilege to gather in the historic city of Bandung, long celebrated as a beacon of solidarity and cultural richness. As we convene under this year's theme – "Future of ASEAN: Shared Prosperity and Humanity through Inclusive and Sustainable Industrialisation" – we are reminded of a fundamental truth: engineering is ultimately about people. Beyond technology and infrastructure, our highest responsibility is to build industries that are innovative, resilient, inclusive, and sustainable.

With the promising outlook for the ASEAN economy, engineers play must crucial role in shaping a prosperous, future-ready region. Realising our collective potential requires greater partnership and unity across our nations. We must empower talent to collaborate seamlessly and address our region's most pressing challenges of Climate Change, Energy Resilience and the now ever-present shadow of AI & Cyber Security...Together.

Crucial to this mission is the continuous transfer of knowledge, the sharing of best practices, and a strong commitment to engineering education to prepare the workforce of tomorrow. Furthermore, as technology rapidly evolves, CAFEO needs to create new WGs to ensure we systematically deal with these challenges. CAFEO 44 needs to affirm the adoption of standardised AI frameworks within the AFEO family, which will be vital to boosting productivity, while ensuring ethical, human-centric innovation.

Let us use CAFEO 44 as a catalyst to deepen our friendships, exchange insights, and reaffirm our shared commitment to engineering a better, more sustainable future for all our peoples.

I wish everyone a fruitful and inspiring Conference.

Message From the
PRESIDENT OF IET

Assoc. Prof. Anek Siripanichgorn
President of the Engineering Institute of Thailand
under H.M. The King's Patronage (EIT)

Dear Distinguished Members of the ASEAN Engineering Community,

On behalf of The Engineering Institute of Thailand under H.M. The King's Patronage (EIT), I am pleased to extend our warmest greetings and sincere congratulations on the **44th Conference of the ASEAN Federation of Engineering Organizations (CAFEO 44)**, to be held from **20–22 October 2026** in Bandung, Indonesia, hosted by the **Persatuan Insinyur Indonesia (PII)**.

The theme of CAFEO 44, **"Future of ASEAN: Shared Prosperity and Humanity Through Inclusive and Sustainable Industrialisation,"** is especially relevant as our region continues to evolve. Advances in technology and industry bring new opportunities, while environmental and social challenges call for thoughtful and practical responses. Engineering is integral to this progress, supporting resilient infrastructure, sustainable growth, and better quality of life across ASEAN.

The Engineering Institute of Thailand under H.M. The King's Patronage (EIT) values the strong ties we have built with engineering organisations across ASEAN and remains committed to regional collaboration. Through knowledge exchange, professional development, and joint initiatives, we can share expertise, address common challenges, and support the next generation of engineering professionals.

CAFEO provides an important platform for these efforts, bringing together engineering institutions, industry, academia, policymakers, women engineers, and young professionals. The diversity of experience and perspectives within our community encourages meaningful dialogue, practical solutions, and lasting professional connections.

I extend my sincere appreciation to the Persatuan Insinyur Indonesia (PII) and everyone involved in organising CAFEO 44 for bringing our engineering community together in Bandung. I am confident that the exchanges during the conference will deepen professional ties and create further opportunities for cooperation throughout the region.

May CAFEO 44 inspire fresh perspectives and meaningful partnerships. Together, let us continue to advance our profession and contribute to a more sustainable, resilient, and inclusive future for ASEAN.

Message From the
PRESIDENT OF ANETL

Armando de Almeida
President of Associação Nacional dos Engenheiros de Timor Leste (ANETL)

On behalf of Associação Nacional dos Engenheiros de Timor-Leste, I am honoured to extend our warm greetings and sincere appreciation to the host of CAFEO 44, **Persatuan Insinyur Indonesia**, and the Organizing body for convening the **44th Conference of the ASEAN Federation of Engineering Organisations**.

CAFEO has long been a valuable platform for fostering friendship, professional excellence, and regional cooperation among ASEAN engineers. We congratulate PII for bringing together key stakeholders to shape a shared future.

The CAFEO 44 theme is timely and relevant, highlighting the need for inclusive, sustainable, and people-centered industrial development across ASEAN.

Engineers have a critical role in this shared mission. Through innovation, sound professional practice, ethical leadership, and regional partnership, we can contribute to renewable energy development, energy efficiency, climate-resilient infrastructure, sustainable cities, disaster-risk reduction, digital transformation, and stronger connectivity throughout ASEAN.

For ANETL, strengthening engineering capacity and sustainable infrastructure is vital to national development. We value collaboration across ASEAN to share knowledge and ensure progress benefits all communities, especially those most vulnerable.

ANETL also reaffirm the importance of investing in young engineers and women engineers. Their ideas, leadership, and professional commitment will be indispensable in creating an ASEAN that is innovative, inclusive, sustainable, and prepared for the challenges ahead.

Let us use CAFEO 44 not only as a forum for discussion, but as an opportunity to form practical partnerships, exchange knowledge, promote professional solidarity, and turn our shared commitments into concrete action.

On behalf of ANETL, I wish CAFEO 44 every success. May this conference further strengthen the unity of ASEAN engineers and contribute to shared prosperity and humanity for all our peoples.

CAFEO 44

PERSATUAN INSINYUR INDONESIA

Message From the
PRESIDENT OF VUSTA

Prof. Acad. Chau Van Minh
President, Vietnam Union of Science and Technology Associations (VUSTA)

Dear H.E President of AFEO, General Secretary of AFEO, Fellow AFEO Colleagues, Distinguished Leaders, Engineers, and Friends,

On behalf of the Vietnam Union of Science and Technology Associations (VUSTA) – representing over 2.2 million Vietnamese scientists, intellectuals, engineers, and technologists – I extend my warmest greetings and most sincere congratulations to the **Institution of Engineers Indonesia (PII)** for hosting the **44th Conference of the ASEAN Federation of Engineering Organizations (CAFEO 44)** in the historic city of Bandung.

Today, ASEAN and the wider world are undergoing profound and rapid transformations. Advances in science and technology, artificial intelligence, digital transformation, the green transition, and emerging technologies are reshaping economies and societies. At the same time, these developments are accompanied by increasingly complex and interconnected challenges that require stronger regional cooperation and shared responsibility.

In this changing environment, engineers have a critical role to play. Engineers have always been at the heart of societal transformation and economic progress – pioneering innovations, building critical infrastructure, and connecting communities. Today, the role of engineers is more vital than ever in driving sustainable growth, digital transformation, and green solutions that shape a resilient and prosperous future for the ASEAN region.

CAFEO has long served as an important platform for ASEAN engineering organizations to come together, exchange knowledge and experience, strengthen professional cooperation, and contribute to the advancement of the ASEAN Community. Over the years, AFEO has demonstrated the enduring value of regional solidarity and collective action in addressing shared challenges and creating opportunities for sustainable development.

Since joining AFEO in 1998, the VUSTA has always been proud to be an active and responsible member of the Federation. Entering our new term of development, VUSTA reaffirms its strong commitment to working side-by-side with AFEO member organizations to promote engineering excellence, support mobility and professional recognition, and contribute to the collective prosperity of the ASEAN Community.

I am fully confident that CAFEO 44 in Bandung will be a resounding success, filled with fruitful exchanges, impactful initiatives, and enduring partnerships.

On behalf of VUSTA, I wish CAFEO 44 every success and extend my sincere appreciation to PII and our Indonesian colleagues for their warm hospitality and dedicated efforts in organizing this important event. **I wish all AFEO leaders, delegates, and fellow engineers good health, happiness, and great success in all your endeavors.**

GROUND HANDLING

GROUND HANDLING INFORMATION

Transportation & Shuttle Services

18–23 October 2026 | Bandung, Indonesia

Shuttle transportation will be arranged to facilitate delegates' transfers between Bandung Train Station, Pullman BICC, official event venues, working group locations, and side event destinations.

Daily Transportation Schedule

18–19 October 2026 | Delegate Arrival & Registration

Bandung Train Station ➔ Registration Desk at Pullman BICC

Shuttle service for arriving delegates to the main registration desk.

- 2 Medium Buses/day
- 2 HiAces/day

AFEO Friendship Golf

19 October 2026

Pullman BICC ➔ 1917 Heritage Dago

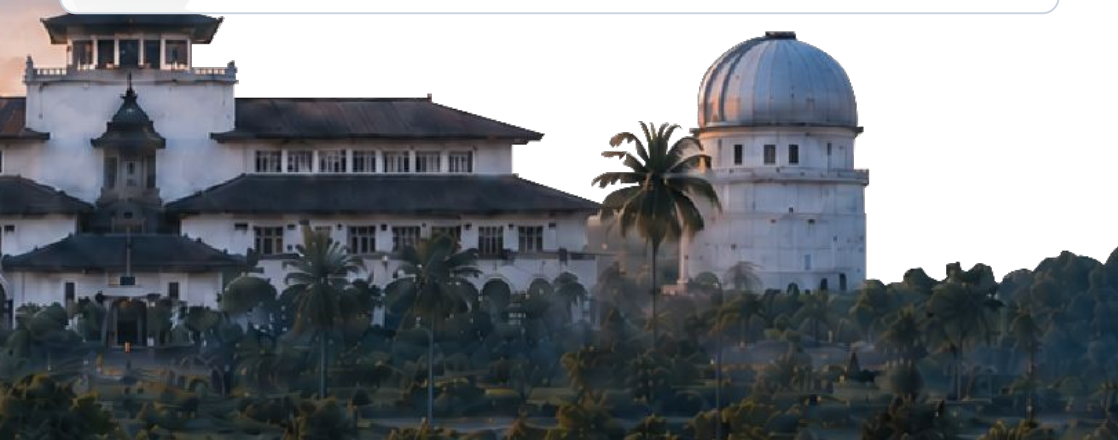

Shuttle service for transfer delegates to the main event area.

- 2 HiAces
- Assembly Time 04.00 AM
- Meeting Point Lobby Drop Off Pullman BICC

Working Group & Welcome Dinner

20 October 2026

Activity	Route	Vehicle
Working Group	Pullman BICC - Museum ITB	**Medium Buses 12**
Welcome Dinner	Pullman BICC - Pendopo Kota Bandung	**Medium Buses 2**

GROUND HANDLING INFORMATION

Working Group & Association Activities

21 October 2026 — Departure from Pullman BICC

Activity	Destination	Transportation
Working Group	Bumi Herbal Dago (BHD)	3 HiAce Vans
Working Group	PT Dirgantara Indonesia	2 Medium Buses
Working Group	PT Pindad	2 Medium Buses
Working Group	Bandung City Hall	2 Medium Buses
Working Group	PT Bio Farma	2 Medium Buses
Working Group	Museum Geologi	On Foot
Working Group	PT KAI *(by PT KAI)*	2 Medium Buses
YEAFEO Dinner	Skyline Best View Resto	3 Medium Buses
WEAFEO Dinner	Moxy Rooftop Resto	2 Medium Buses

Side Events

22 October 2026 — Departure from Pullman BICC

Activity	Destination	Transportation
Side Event	Bumi Herbal Dago — Tree Planting	1 Hiace Van
Side Event	Bumi Herbal Dago — Indonesian Spices	1 Hiace Van
Side Event	Rumah Mode	2 Medium Buses
Side Event	Padel	4 Hiace Vans
Side Event	Museum ITB & Museum Konferensi Asia-Afrika	2 Medium Buses
Side Event	BETA-UAS	4 Hiace Vans
Side Event	PT Alam Virtual Semesta	2 Medium Buses
Side Event	ITB Campus Tour	2 Medium Buses & 1 Hiace

GROUND HANDLING INFORMATION

ASEAN Secretariat Office Visit

23 October 2026 | Bandung - Jakarta

1. Pullman BICC → Padalarang Station

Heads of Delegation (HoDs) depart from Pullman BICC by medium bus.

1 Unit

2. Padalarang Station → Halim Station

Total 26 participants travel to Jakarta via Whoosh High-Speed Train.

26 Person

3. Halim Station → ASEAN Secretariat

Delegates transferred to ASEAN Secretariat Office by Hiace.

3 Unit

4. Direct Luggage Transfer

Luggage transported directly from Pullman BICC to ASEAN Secretariat.

1 Unit

Transportation Information for Delegates

📍 **Meeting Point – Bandung Train Station** 18–19 October 2026

Main pick-up point for arriving delegates. Liaison Officers (LOs) with CAFEO 44 paging boards will guide delegates to assigned Buses or Hiaces.

📍 **Meeting Point – Pullman BICC** 19–23 October 2026

Lobby drop-off area serves as main assembly/departure point for all CAFEO 44 activities. Teams stationed on-site to assist.

⏰ **Departure Time & Schedule Information**

Detailed activity schedules, departure times, and meeting points communicated via email prior to each activity. Departure Point: Pullman BICC.

🪪 **Boarding & Participation Verification**

Must present CAFEO 44 badge & proof of registration before boarding.
**Organising Committee reserves right to deny non-eligible delegates.*

ℹ️ **Assistance – CAFEO 44 Help Desk**

Available on Mezzanine Floor, Pullman BICC for registration, transport inquiries, and general support.

TRANSPORTATION SCHEDULE

PROGRAM SCHEDULE

PROGRAM AT A GLANCE

DAY -1

Sunday, 18 October 2026

- CAFEO 44 Delegates' Arrival in Bandung
- Re-registration

DAY 0

Monday, 19 October 2026

- CAFEO 44 Delegates' Arrival in Bandung
- Re-registration
- AFEO Friendship Golf 2026
- Engineering Seminar
- RAPIMNAS PII

DAY 1

Tuesday, 20 October 2026

- Re-registration
- Opening Ceremony
- Country Report
- WEAFEO Country Report & Board Meeting
- YEAFEO Country Report & Board Meeting
- AER Conferments
- Working Groups & AEI
- Technical Visit
- Exhibition
- Welcome Dinner at Pendopo Kota Bandung
- Welcome Dinner at AROEM Bandung

DAY 2

Wednesday, 21 October 2026

- Re-registration
- Engineering Conferences
- Working Groups & Technical Visits
- Women Engineering Summit
- Young Engineers Festival
- Geotechnical Conference
- Engineering Workshop
- AAET Council Meeting & AAET-NAEK Engineering Forum
- Exhibition
- WEAFEO Dinner
- YEAFEO Dinner

DAY 3

Thursday, 22 October 2026

- Re-registration
- Environmental Event: Tree Planting
- Social Event: Indonesia Spices Experience
- AER Commission Meeting
- AFEO Governing Board Meeting
- Gift Exchange
- Exhibition
- YEAFEO & WEAFEO Side Events
- Closing Ceremony

DAY 4

Friday, 23 October 2026

- The ASEAN Secretariat Visit in Jakarta
- Bandung Excursions

PROGRAM | Day -1 & 0

Conference & Main Event | Working Group & AEI | Technical Visit | WEAFEO & YEAFEO Program | Side Events

Day -1 | Sunday, 18 October 2026

Time (WIB)	Activity
	Registration Counter | Venue: Pullman Bandung International Convention Center
10.00 - 18.00	Re-registration (4 lines + 1 helpdesk)

Day 0 | Monday, 19 October 2026

Time (WIB)	Activity	
	1917 Heritage Dago Golf Course	Registration Counter | Venue: Pullman Bandung International Convention Center
06.00 - 07.00	AFEO Friendship Golf 2026	
07.00 - 08.00		
08.00 - 09.00		
09.00 - 10.00		
10.00 - 11.00		Re-registration (8 lines + 1 helpdesk)
11.00 - 12.00		
12.00 - 13.00		
13.00 - 14.00		
14.00 - 15.00		
15.00 - 16.00		
16.00 - 20.00		

PROGRAM | Day 1

Conference & Main Event | Working Group & AEI | Technical Visit | WEAFEO & YEAFEO Program | Side Events

Day 1 | Tuesday, 20 October 2026

Time (WIB)	Activity									
	Venue: Pullman Bandung International Convention Center									Institut Teknologi Bandung
	Foyer Mezzanine	Pre-Function	Ballroom 1	Ballroom 2	Ballroom 3	Earl Grey	Sencha	Chamomile	Hibiscus

ASEAN SUSTAINABLE ENERGY CHALLENGE 2026

ASEAN SUSTAINABLE ENERGY CHALLENGE 2026

THEME

Future of ASEAN: Shared Prosperity and Humanity Through Inclusive and Sustainable Industrialisation

ABOUT THE CHALLENGE

The ASEAN Sustainable Energy Challenge 2026 invites young engineers, entrepreneurs, and students to present innovative engineering, technological, management, and business solutions that advance renewable energy and sustainable energy development across ASEAN.

WINNER ANNOUNCEMENT

22 October 2026

At the CAFEO 44 Closing Ceremony

ASEAN SUSTAINABLE ENERGY CHALLENGE 2026

CRITERIA AND SUBMISSION DETAILS & FORMAT

CRITERIA

- Originality
- Environment Consideration
- Social Consideration
- Techno-Economic Assessment and Market Potential
- Operation and Maintenance
- Replicability

Note: Presentation Of Documents (Facts, Figures, Tables, Videos, and On-Site Photos

SUBMISSION DETAILS SHOULD CONTAIN

- Name of The Project and Author(s);
- Summary of The Project, Including The Opportunities and Challenges Faced;and
- Short Description of The Design of Innovative Solutions Which Shows The Novelty, and Creativity; Further Explaining The Shortcomings of The Solutions Stated In Section (B);
- Highlighting Any Improvements Made To The Technical Solutions (IF ANY) or Your Own Work is Completely New

SUBMISSION FORMAT - SUBMISSION OF PROJECT ENTRIES/REPORTS SHALL BE IN HIGH-RESOLUTION AS FOLLOWS:

- Format (A4, Times New Roman, 12 CPI, Topics Sequental).
- Total Number of Pages: 15 Pages + Attachment (No Limit).
- Project Entries/Reports Shall Be Submitted Together with The
- AFEO ASEAN SUSTAINABLE ENERGY CHALLENGE 2026 FORM
- Non-Compliance/Incomplete Documents or Information Shall be Subjected to A 5% Reduction From The Total Score

ASEAN SUSTAINABLE ENERGY CHALLENGE 2026

CAFEO 44 INDONESIA

FUTURE OF ASEAN: SHARED PROSPERITY AND HUMANITY THROUGH INCLUSIVE AND SUSTAINABLE INDUSTRIALISATION

Calling ALL young engineers, entrepreneurs and students to submit YOUR innovative ideas on engineering, technological, management, and business solutions for ASEAN Sustainable Energy Development for RENEWABLE ENERGY

Winners will receive expert support, networking, and learning opportunities with potential funders/employers in ASEAN and beyond

TIME FRAME

22 June 2026	31 Aug 2026	12-14 Sept 2026	28 Sept 2026	22 Oct 2026
Announcement of the Sustainable Energy Challenge to AFEO Member Organizations (MO).	Deadline for submission from home institutions to the Regional Organizing Board.	Online presentations, and selection by Energy WG Sustainable Energy Challenge Organizing Board.	Final review and evaluation during AFEO Mid-Term by Energy WG Sustainable Energy Challenge Organizing Board.	Announcement of winners at CAFEO 44th in Bandung, Indonesia

WORKING GROUPS, AEI, & TECHNICAL VISITS

DAY 1 | Tuesday, 20 October 2026

Working Groups, AEI & Technical Visit

Working Groups & AEI sessions will take place at Pullman Bandung Grand Central and ITB. Please check your assigned session and venue below.

At Pullman BICC

Time (WIB)	Working Group/AEI	Room
13.00 - 14.50	AEI Harmonising Boiler	Earl Grey Room
	WG: Environmental Engineering	Sencha Room
	AEI Building	Chamomile Room
	AEI Electrical Installation	Hibiscus Room
14.50 - 15.00	*Coffee/Tea Break*	
15.00 - 17.00	WG: Geotechnical Engineering	Earl Grey Room
	WG: Energy	Sencha Room
	AEI Structural	Chamomile Room
	AEI Electronic	Hibiscus Room

At Institut Teknologi Bandung

Time (WIB)		Working Group	Technical Visit	Bus Assignment
Activity	Assembly			
13.00 - 17.00	12.30	WG: Education & Capacity Building	Campus Laboratory Tour	04

IMPORTANT NOTES

Please arrive on time and proceed directly to your assigned Working Group room.

Wednesday, 21 October 2026

DAY 2

Working Groups, AEI & Technical Visits

CAFEO 44 brings Working Groups into industry and institutional sites across Bandung. Check your assigned WG, bus, venue, and Technical Visit below.

Assignment

Time (WIB)		Working Group	Technical Visit	Venue	Bus Assignment
Activity	Assembly				
08.00 - 12.00	07.00	WG: Transportation & Logistics	PT KAI Heritage & Infrastructure Tour	PT KAI	01
		WG: Disaster Preparedness	Museum Geologi Tour	Museum Geologi	02

IMPORTANT NOTES

ASSEMBLY TIME

Please arrive at the designated assembly point on time for attendance and boarding.

BUS ASSIGNMENT

For off-site Working Groups, please follow your assigned bus number and colour code throughout the programme.

ID BADGE & IDENTIFICATION

Please wear your CAFEO 44 ID Badge and carry your valid ID Card/identification at all times, especially during transportation and Technical Visits.

STAY UPDATED

Please join your designated Working Group WhatsApp Group for the latest updates, reminders, and any changes to the programme.

ESSENTIAL INFORMATION

Please review these essential guidelines to help ensure a safe, comfortable, and enjoyable CAFEO 44 experience.

01 WHAT TO BRING

Prepare these essentials for a smooth and comfortable experience throughout CAFEO 44.

PERSONAL BELONGINGS

Keep your essentials secure.

WATER BOTTLE

Stay hydrated.

BUSINESS CARDS

For networking and exchanges.

02 DRESS CODE

Please wear business casual attire throughout the programme.

Business Casual Attire

- Long Trousers / Neat Skirt
- Comfortable Attire for Walking
- Closed-toe Shoes Recommended

03 VENUE ETTIQUE

Follow venue safety instructions.

Respect restricted areas.

Follow photography guidelines.

Follow venue representatives' instructions.

Keep personal belongings secure.

04 DO'S & DON'TS

DO'S

- Follow organiser and venue instructions.
- Observe venue safety guidelines.
- Respect the venue and its facilities.
- Keep your belongings secure.
- Be considerate to other participants.

DON'TS

- Do not enter restricted areas.
- Do not touch equipment or exhibits without permission.
- Do not take photos where prohibited.
- Do not leave personal belongings unattended.

WEAFEO PROGRAM

CAFEO 44

WEAFEO PROGRAM

Women Engineers of ASEAN Federation of Engineering Organisations

Day 1 | Tuesday, 20 October 2026

- Attending the CAFEO 44 Opening Ceremony
- WEAFEO Country Report
- WEAFEO Board Meeting

Day 2 | Wednesday, 21 October 2026

- Participating in the Working Group & Technical Visit
- Women Engineers Summit
- WEAFEO Private Dinner

Day 3 | Thursday, 22 October 2026

- Social Event
  - Option 1: CAFEO Program - Indonesian Spices Experience
  - Option 2: Shopping Tour - Rumah Mode
- Attending the CAFEO 44 Closing Ceremony

CALLING ALL WOMEN DELEGATES

Join the WEAFEO Program and connect with women engineers from across the ASEAN region. Open to all registered women delegates attending CAFEO 44.

WOMEN ENGINEERS SUMMIT

Women Engineers Shaping ASEAN's Future: Inclusive Industry, Shared Prosperity

Wednesday, 21 October 2026 | 13:00 - 16:30 WIB | Ballroom 1 Pullman BICC Hotel

MC
Ir. Hilma Martha Ayu
Forum Perempuan Insinyur Persatuan Insinyur Indonesia (FPI-PII)

Welcome Remarks
Dr. Setyawati Yani
WEAFEO Chairlady

SESSION 1

Paper Presentations by Women Engineers

Moderator
Prof. Ir. Erna Yuliwati, M.T., Ph.D., IPU., ASEAN Eng.

Presenters
Ir. Raftah Mahfar
Institution of Engineers Malaysia (IEM)

Presenters
Engr. Wyne Tone Chit
Federation of Myanmar Engineering Societies (Fed.MES)

Presenters
Dr. Ir. Rose Dewi, S. Kel., M.Si., IPU., ASEAN Eng.
Forum Perempuan Insinyur Persatuan Insinyur Indonesia (FPI-PII)

SESSION 2

Talkshow

Moderator
Ir. Sri Hidayati AKP, S.T., M.Sc. (PM), IPU, APEC Eng., ASEAN Eng

Co-Moderator
Poontrika Walton, B.Eng, M.Sc, CFPS

Speakers
Neneng Goenadi
CEO Grab Indonesia

Speakers
Ir. Dr. Zuhaina Zakaria
IEM Malaysia

Speakers
Ir. Alice Lim Sui Kau
IEPB Brunei Darussalam

Speakers
Engr. Yin Yin Swe

YEAFEO INDUSTRIAL VISIT

Explore. Learn. Connect.

Choose one of three exclusive industrial visits and discover engineering innovation and real-world applications across different industries.

THURSDAY
22 October 2026

TIME
13:00 - 16:00

CHOOSE ONE VISIT

LIMITED SEATS AVAILABLE FOR EACH DESTINATION

1 BETA UAS DRONE

PT Bentara Tabang Nusantara (BETA-UAS)

Jl. Bojong Tanjung No.3, Sangkanhurip

Discover Drone Innovation at BETA-UAS

Explore cutting-edge unmanned aircraft technology and discover how drone solutions are transforming mapping, monitoring, and inspection through smarter, more efficient aerial data collection.

30 PARTICIPANTS (LIMITED SEATS)

2 AVS SIMULATOR

PT Alam Virtual Semesta

Jl. Cihampelas No.180

Experience Immersive Simulation at AVS Simulator

Step into a world of hands-on simulation across diverse industries! Explore interactive training experiences in heavy equipment operation, tank simulation, forklift handling, welding, medical catheter procedures, air traffic control, and production work environments.

60 PARTICIPANTS (LIMITED SEATS)

3 LABORATORIUM

INSTITUT TEKNOLOGI BANDUNG

Jl. Ganesha No.10

Explore Engineering Excellence at ITB

Discover the world of engineering innovation through a guided laboratory tour at Institut Teknologi Bandung (ITB). Explore six specialized laboratories showcasing advancements in propulsion systems, manufacturing, materials science, thermal energy, acoustics, and high-voltage engineering.

75 PARTICIPANTS (LIMITED SEATS)

OPEN TO ALL REGISTERED CAFEO 44 YOUNG ENGINEER DELEGATES

GEOTECHNICAL CONFERENCE

FROM RISK TO RESILIENCE:

Geotechnical Engineering Solutions for Resilient Buildings and Infrastructure in ASEAN

Wed, 21 October 2026 - 1pm - 4.30pm

CHAMOMILE ROOM - PULLMAN HOTEL

CAFEO 44

AFEO

Speakers

Dandung S. Harninto
Geotechnical Design Considerations for Mechanically Stabilized Earth Walls Directly Over Active Fault Crossing in High-Seismic Zones

Yuamar I. Basarah, Ph.d
Seismic Performance of Liquefiable Ground with Deep Soil Mixing and Stone Columns

Er. Dr Tan Pui Lai
Regulatory Requirements for Underground Excavation in Singapore

Dr. Ir. Aksan Kawanda
Safety Quality Assurance for Mega Deep Foundation Construction Based on Indonesian Standard SNI-8460-2017

Dr. Hla Myo Aung, PE
Lessons Learned from the 2025 Mandalay Earthquake and Implications for Future Resilience

Ir. Allan Chwee Yew Lun
Lightweight Fill to Reduce Settlement on Bridge Approach Embankments Treated with Vibro Stone Columns

U Thaung Sein
Soil Liquefaction During Earthquakes in Myanmar

Nurul Fatyhah Baharuddin
Building Resilience Below Ground: Low-Carbon Solutions for Deep Foundations

Organized by:
Working Group of Geotechnical Engineering - ASEAN Federation of Engineers Organization

ASEAN-Korea Engineering Forum

CAFEO 44 Conference of the ASEAN Federation of Engineering Organizations | AFEO | AAET | NAEK 한국공학한림원

ASEAN-Korea Engineering Forum

ASEAN-Korea Partnership for Accelerating Digital and Green Transitions

Wednesday
21 October 2026

9:30 - 12:00
(WIB - GMT+7)

Chamomile Room
Pullman BICC

Welcome Address

Ir. Prof. Dr. Ewe Hong Tat
AAET President

Keynote Remarks

Dr. Euijoon Yoon
NAEK President

SESSION 1 Advancing ASEAN-Korea Industrial Collaboration

Dr. Steven Lim
Associate Professor, UTAR and Project and Research Director - Green Environmental Engineering Sdn Bhd
Co-Creating the Future of Sustainable Biomass: Oil Palm Residue Valorisation through Global Partnerships

Dr. Ok Kyoung Choi
Water Solution Team, Hi-Tech Business Unit, SK Ecoplant

SESSION 2 Accelerating Technology and Innovation Exchange

Dr. Leong Kah Hon
Associate Professor & Director, Division of Sustainability & Strategic Management, Universiti Tunku Abdul Rahman Malaysia (UTAR)
Investigation of the effects of carbonation curing on the performance of cement sand bricks

Prof. Il Sohn
Professor, Department of Materials Science and Engineering, Yonsei University, Republic of Korea

SESSION 3 From Partnership to Action: Co-Creating Joint Projects

Ir. Dr. Heru Dewanto
AAET Senior Fellow and Former President, the Institution of Engineers Indonesia (PII) & Chairman of Governing Board, Institute Technology Indonesia (ITI)
Indonesia x Korea, Partners in the Next Industrial Leap

Dr. Sanghyup Lee
Principal Researcher, Climate and Environmental Research Institute, Korea Institute of Science and Technology (KIST), Republic of Korea

CLOSING CEREMONY

RUNDOWN

Grand Ballroom, Pullman BICC

Time	Closing Ceremony Program
17:00	Arrival of Delegates and Dinner
18:30	MC Opening
18:40	Report by the Chairperson of Cafeo 44 **Ir. Santhi H.Serad, M.Sc., IPU., ASEAN Eng.**
18:45	Signing Declaration
19:05	Presentation of **AFEO Honorary Fellow Award**
19:25	Presentation of **AFEO Honorary Member Award**
19:55	Presentation of **ASEAN Outstanding Engineering Achievement Award (Project)**
20:15	Presentation of **ASEAN Outstanding Engineering Achievement Award (Individual)**
20:25	Announcement of **The Winner of Engineering Conference 2026 (Call for Paper)**

CULTURAL EVENTS

CULTURAL VISIT

Bandung's Engineering and Diplomatic Heritage

Discover two important parts of Bandung's history through visits to the **ITB Museum** and the **Museum of the Asian-African Conference**.

EVENT DETAILS

Date: Thursday, 22 October 2026

Time: 08.00–11.35 WIB

Venues: ITB Museum and Museum of the Asian-African Conference

Capacity: 50 participants

Museum of the Asian-African Conference

ITB Museum

The visit explores ITB's contribution to engineering education and the legacy of the 1955 Asian-African Conference in advancing international cooperation.

REGISTRATION

Registration is open from **12–20 October 2026** and is exclusively available to registered CAFEO 44 participants. Please log in to your CAFEO 44 account to register.

SIDE EVENTS

TREE PLANTING

A Green Action for CAFEO 44

Bringing together representatives from AFEO member countries to take meaningful action towards a greener and more sustainable future.

REGISTRATION & PARTICIPANTS SERVICES

Essential information on check-in, badge collection, payment verification, and onsite assistance.

Check-in & Badge Collection

Check-in

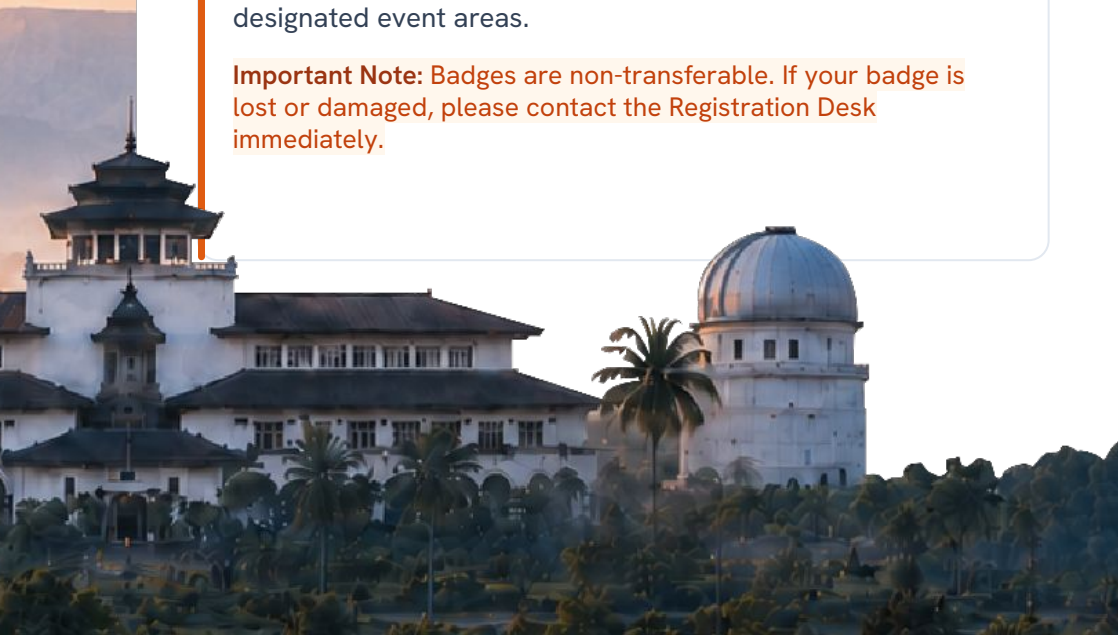

All participants are required to complete the check-in process upon arrival at the venue. Please proceed to the CAFEO 44 Registration Desk and present:

- Registration confirmation or QR code.
- Valid passport or identification document.
- Proof of payment, if required.

Badge Collection

Your official CAFEO 44 badge will be issued after your registration details have been verified. Please wear your badge at all times, as it is required to access conference sessions, Working Group meetings, social activities, and other designated event areas.

Important Note: Badges are non-transferable. If your badge is lost or damaged, please contact the Registration Desk immediately.

Payment Verification & Assistance

Payment Verification

Participants with an incomplete or pending payment status should visit the Registration Desk for verification. Please prepare one of the following documents:

- Invoice or billing statement
- Official payment receipt
- Transaction confirmation proof

Notice: Access to CAFEO 44 activities is strictly subject to confirmed registration and payment status.

Onsite Assistance

The CAFEO 44 Participant Services team will be available throughout the event to assist with:

- Registration and payment inquiries
- Badge-related assistance
- Programme and room information
- Working Group session guidance
- General event support

Location: Please visit the **CAFEO 44 Registration & Information Desk** at the venue for direct help.

Online Registration

Registration Process

All CAFEO 44 participants are required to complete registration through the official website: https://cafeo44.com/register

1. Create an Account

Register using an active email address and create your CAFEO 44 participant account.

2. Select Your Category

Choose the registration category that corresponds to your membership status.

Registration Categories & Fees

AFEO Member **USD 120**

Non-AFEO Member **USD 250**

YEAFEO Member **USD 60**

Young Engineer Non-AFEO **USD 100**

Important Verification Notice: Participants must ensure that the selected category is correct. Supporting membership information may be required for verification.

Online Registration

Registration Steps (Cont.)

3. Complete Your Profile

Provide all required personal, professional, and contact information. International participants must also upload a valid **passport or identification document** for security and access verification.

4. Select Your Programme

Choose the Working Group session and other available CAFEO 44 activities you wish to attend. Programme selections are subject to schedule and venue capacity.

5. Complete the Payment

Follow the payment instructions shown in your account. Your registration is only confirmed after the applicable registration fee has been successfully paid and verified.

6. Check Your Registration Status

Log in to your profile to review your registration details, selected programme, payment status, and any additional document requirements.

Important Information

- Please use the same email address throughout the registration process.
- Registration details and programme selections must not be transferred to another person.
- Participants are responsible for ensuring that all submitted information is accurate.
- Incomplete registration or payment may affect programme access and Working Group confirmation.
- Please keep your registration confirmation and proof of payment for reference.

Assistance: For registration assistance, please contact the CAFEO 44 Organizing Committee through the official website.

ACCOMMODATION

Official Event Venue

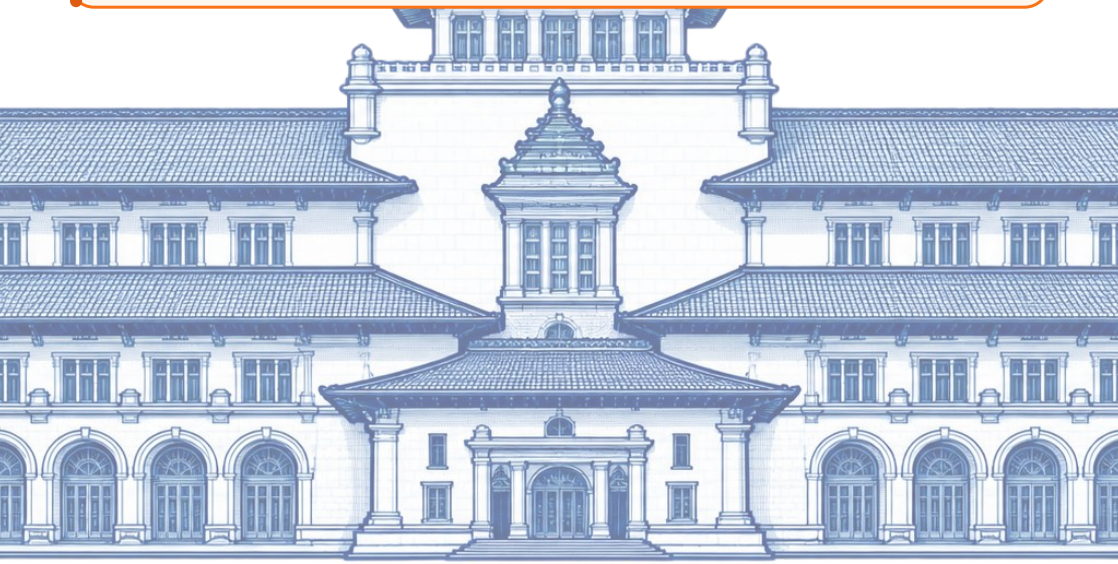

Pullman Bandung Grand Central

Address: Jl. Diponegoro No. 27, Citarum, Bandung Wetan, Bandung 40115, West Java, Indonesia

Located in central Bandung, Pullman Bandung Grand Central is the main venue for CAFEO 44. The hotel is conveniently situated near Gedung Sate, Gasibu, the Geological Museum, and several dining and shopping areas.

Important Reminder

Hotel accommodation is separate from CAFEO 44 registration. Completing the conference registration does not automatically include or reserve a hotel room.

Official Shuttle Service

Official Shuttle Routes

The CAFEO 44 Organizing Committee will provide shuttle services only for the following routes:

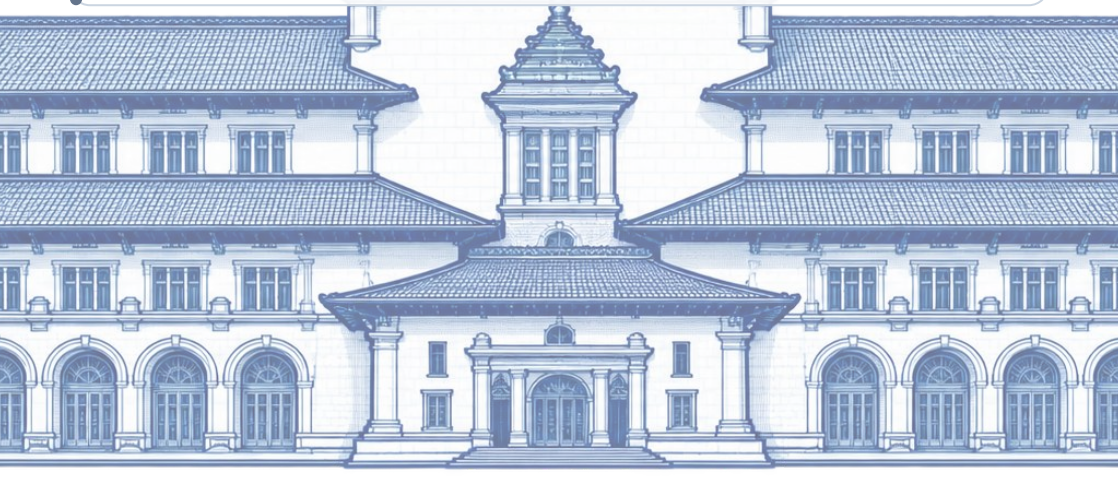

- **Bandung Railway Station ↔ Pullman Bandung Grand Central**
- **Pullman Bandung Grand Central ↔ Designated off-site Working Group venues**
- **Pullman Bandung Grand Central ↔ All official CAFEO 44 side-event venues**

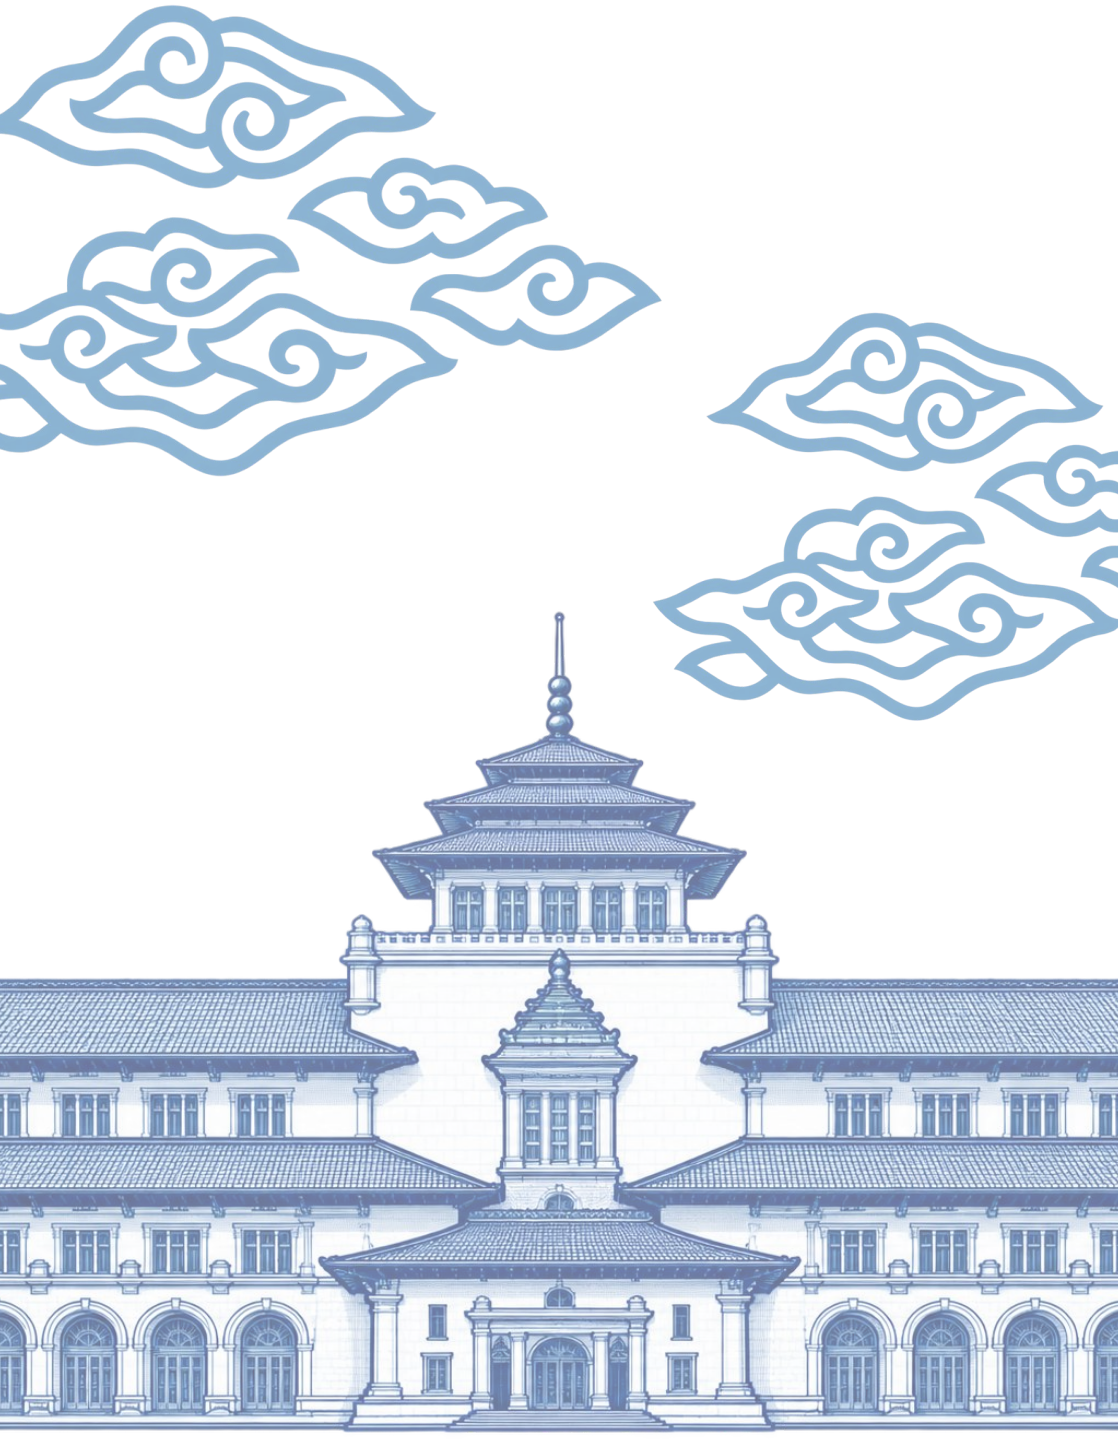

Routes Not Provided

Shuttle services from airports, other railway stations, private residences, or other hotels are **not provided**. Participants are responsible for arranging their own transportation for routes outside the official shuttle service.

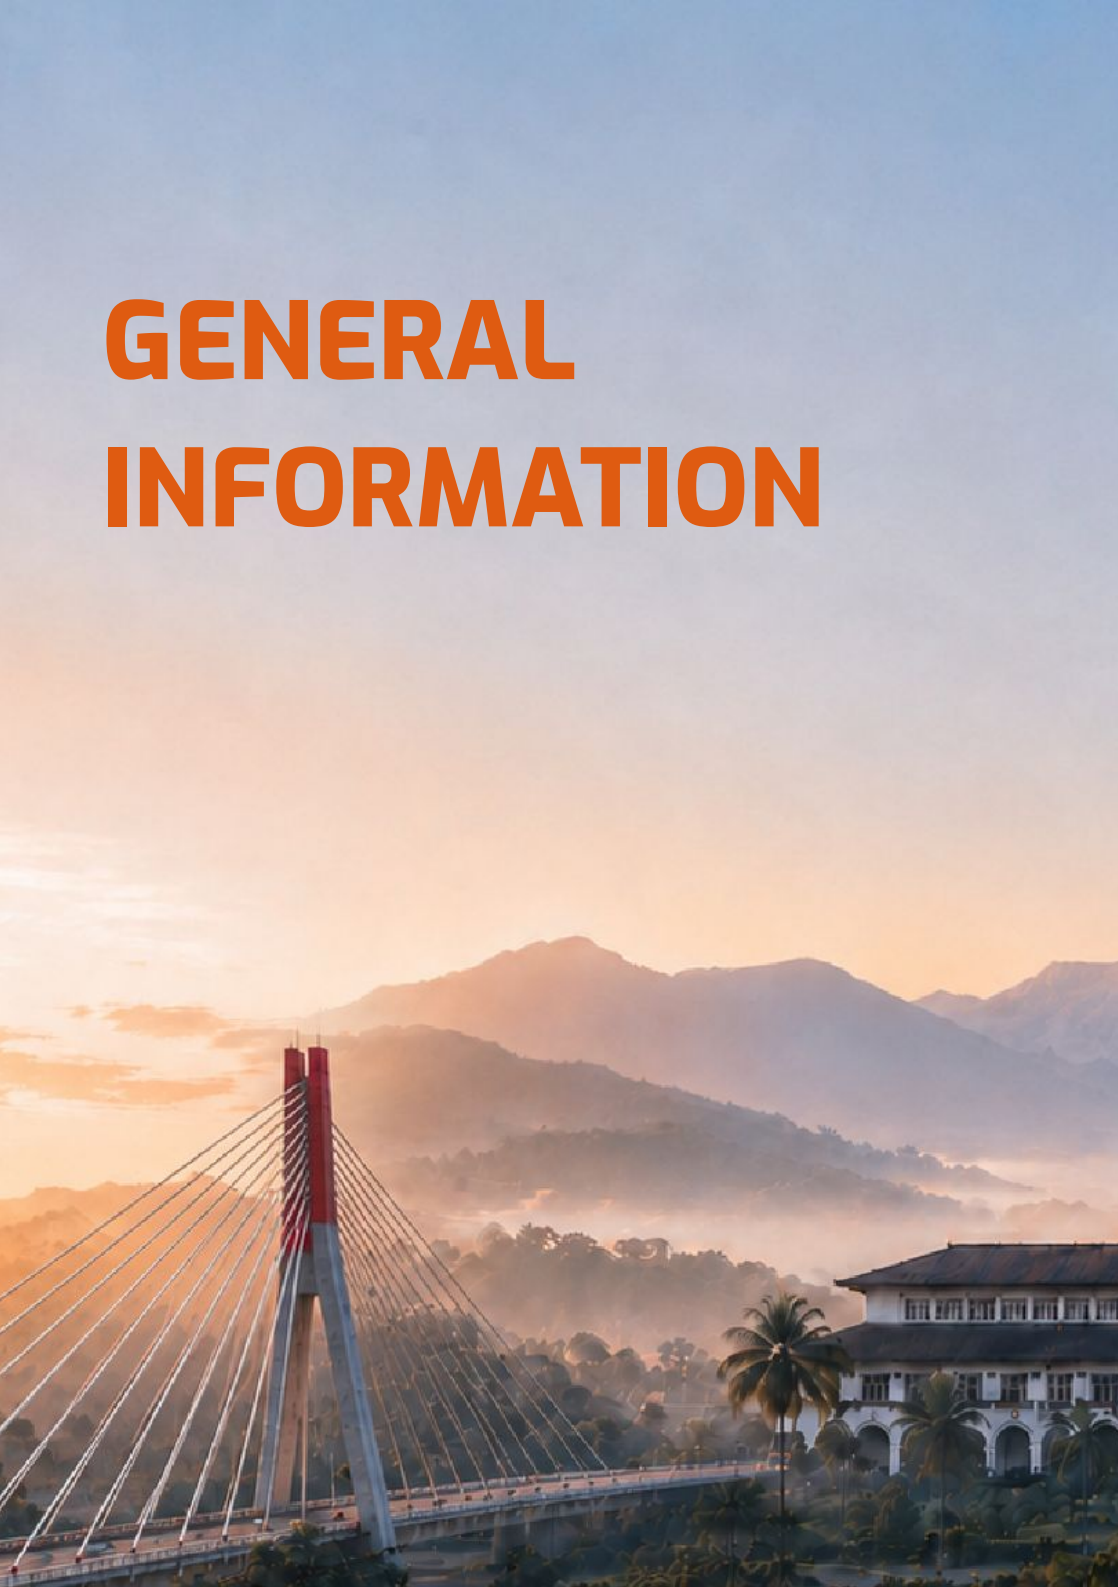

Schedules & Meeting Points

Detailed shuttle schedules, departure times, and meeting points will be communicated separately.

GENERAL INFORMATION

Essential Travel Information

Currency & Payment Methods

Indonesia's official currency is the **Indonesian Rupiah (IDR/Rp)**. Cash, debit cards, and credit cards are widely accepted at hotels, restaurants, shopping centres, and major establishments. Mobile payments using **QRIS** are also common.

Delegates are advised to carry a small amount of cash for local transport, small shops, and incidental expenses. ATMs and currency exchange services are available throughout Bandung.

Local Time Zone

Bandung follows **Western Indonesia Time (WIB)**: **UTC/GMT +7 hours**

Indonesia does not observe daylight saving time. All programme schedules are stated in WIB.

Weather & Recommended Clothing

Bandung generally has a cooler climate than many other Indonesian cities. In October, temperatures range from **21°C to 32°C**, with a possibility of rain.

Delegates are advised to bring:

- Light and comfortable clothing
- Business or business-casual attire for official sessions
- A light jacket or cardigan for air-conditioned rooms & cooler evenings
- A compact umbrella or raincoat
- Comfortable footwear for technical visits & outdoor activities

Electricity, Connectivity & Transport

Electricity & Power Plugs

Indonesia uses a **230-volt, 50-hertz** electricity supply. Standard sockets are **Type C and Type F** (two round pins).

Delegates requiring a different plug type should bring a universal travel adapter and confirm device compatibility before use.

Mobile Connectivity

Mobile internet and Wi-Fi are widely available in Bandung, with complimentary Wi-Fi provided at the official venue and most hotels.

International delegates options:

- International roaming via home provider
- Local prepaid SIM card
- Compatible travel eSIM

Foreign visitors using Indonesian SIM cards can register through authorized operators for up to 90 days. IMEI registration is not required for international roaming.

Local Transportation & Shuttles

Transport options in Bandung include official taxis, ride-hailing (Grab, Gojek), public buses/angkot, trains, and hotel vehicles.

CAFEO 44 Scheduled Shuttle Services:

- Transfers between **Bandung Train Station** & **Pullman Bandung Grand Central**
- Transfers between **Pullman Bandung Grand Central** & designated off-site Working Group venues
- Transfers between **Pullman Bandung Grand Central** & designated side-event venues

Please check the official programme and transportation schedule for departure times and meeting points.

Important Travel Reminders

1. Travel Documents & Entry

- Ensure passport is valid for at least **six months from arrival date** and verify Indonesian visa requirements.
- Keep physical or digital copies of your passport, visa, flight details, hotel booking, and travel insurance.
- Complete the **All Indonesia Arrival Declaration** (within 3 days prior to arrival) and save the QR code.

2. Event Access & Transport

- Keep your personalised **CAFEO 44 QR code** accessible for badge collection and venue entry.
- Wear your official CAFEO 44 identification badge at all event venues.
- Arrive at designated meeting points at least **15 minutes before** scheduled shuttle departures.

3. Communication & Security

- Monitor your registered email address and official CAFEO 44 channels for program updates.
- Keep personal belongings secure and use authorised transportation services.
- Save the CAFEO 44 help-desk contact details for on-site assistance.

Dress Code

Day 1 - Tuesday, 20 October 2026

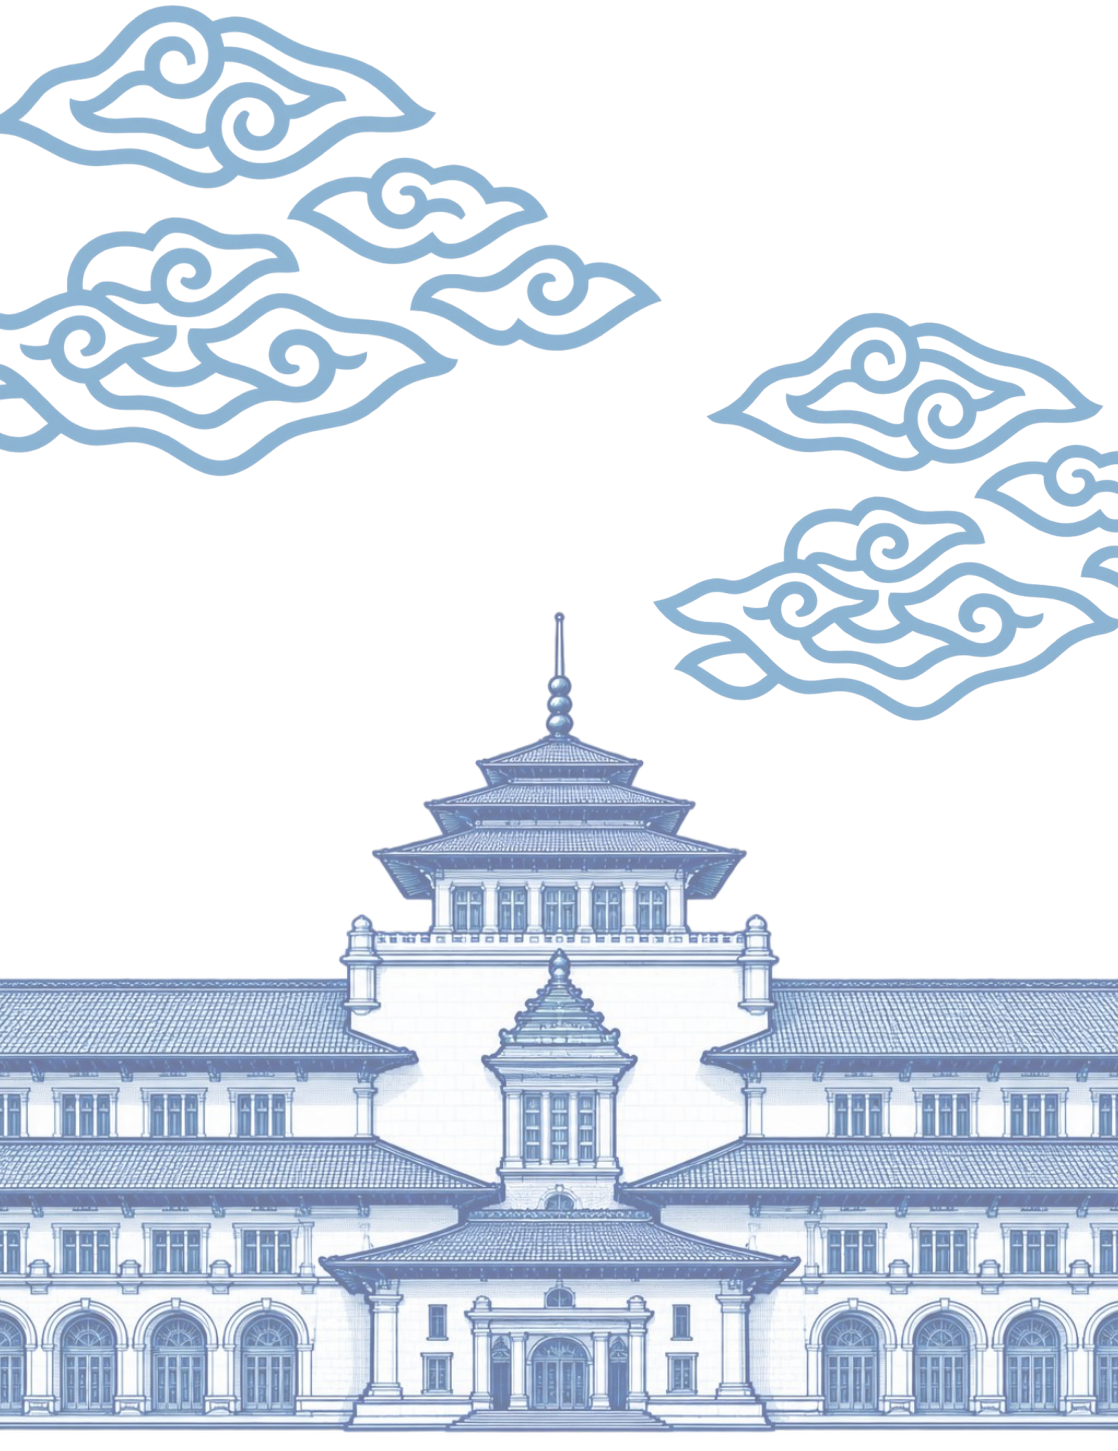

- **Opening Ceremony:** Business formal attire with a black blazer.
- **AER Conferment:** Business formal attire with a black blazer.
- **Country Report:** Business formal attire with a black blazer.
- **Welcoming Dinner:** National Costume

Day 2 - Wednesday, 21 October 2026

- **Working Group:** Business Casual, with closed toe shoes
- **Engineering Conference:** Business formal attire with a black blazer.
- **YEAFEO Dinner:** –
- **WEAFEO Dinner:** Black and Gold

Day 3 - Thursday, 22 October 2026

- **AER Commission Meeting:** Business formal attire with a black blazer.
- **AFEO Governing Board Meeting:** Business formal attire with a black blazer.
- **CAFEO 44 Closing Ceremony:**
  - Country Performance: National Costume
  - Awardees: Business/Formal Attire
